

Competition

WATCAC has been the first taste of tandem cycling for some of Australia's best tandem cyclists some of whom have represented their country in World Championships and Paralympic games.

While competition is not everyone's goal, WATCAC supports any vision-impaired tandem team, helping in any way it can.

Support Us

You can actively support WATCAC as a rider and/or a volunteer, or financially by making a donation. Donations to WATCAC of \$2 or more are tax-deductible.

Contact Us

If you would like more information, or are interested in riding a tandem as a pilot or stoker, contact Adriana on (08) 9279 6129, or info@watcac.org.

See www.watcac.org/support.htm for more information.

More Information

See www.watcac.org, where you will also find our calendar of events, photographs and TandemTalk, our quarterly newsletter.

Western Australian Tandem Cycling Advisory Council Incorporated

“Moving Forward Together
into Mainstream Cycling”

What We Do

WATCAC's purpose is to promote the integration of blind and vision-impaired cyclists into the cycling mainstream at all levels.

To this end, WATCAC organises a series of recreation rides, track sessions at the velodrome, tandem cycling clinics and tours to bring cyclists together and give them the opportunity to ride tandems.

Our Bikes

WATCAC operates a number of road tandems from Victoria Park and track tandems from the velodrome in Midvale. We have a range of tandems

from mountain bike-style to high-specification road racers and are in the process of applying for grants to expand our fleet.

Our tandems are available for loan to WATCAC members.

Our Members

WATCAC offers Full and Junior membership to sighted and non-sighted riders for a small annual fee.

Our members cover a wide spectrum of the community ranging from school age to semi-retired, from casual riders to lycra-clad fanatics.

All WATCAC members participating in WATCAC events are covered, at no

charge, by insurance provided by the WA Disabled Sports Association.

WATCAC also organises non-cycling social activities for members such as film nights and picnics.

Where We Ride

Our rides cater for all sorts and include:

- Recreation rides, typically somewhere along the river, and always involving a café stop.
- Club rides, longer rides for those who want a longer, more strenuous ride.
- Annual country tour of 3-5 days. Previous tours have visited towns in the Wheatbelt, the Goldfields and the Southwest.
- Participation in Community cycling events like the Freeway Bike Hike and the City of Perth Great Bike Ride.

In addition, many of our riders do their own thing, joining some of the many group rides around Perth or participating in the very popular Cyclo Sportif events.
