

INFORMATION FOR PROSPECTIVE MEMBERS

About Western Australian Tandem Cycling Advisory Council (WATCAC)

WATCAC's purpose is to promote the integration of blind and vision-impaired cyclists into the cycling mainstream. To this end, WATCAC organizes a series of rides and maintains a library of tandem bikes for use by members.

Our Rides

Our rides cater for all skill and fitness levels:

- Skills clinics:** The best way to initially get involved with WATCAC. Skills clinics provide the opportunity for those new to tandems to learn bike handling skills in a safe, off-road environment. Clinics are run several times a year – for more information get in touch with WATCAC.
- Recreation rides:** Usually around 20kms long at a very leisurely pace (15-20kph), and include a coffee stop midway. These are often around the river, and can be achieved by anyone, no matter how long it's been since they've been on a bike! No one is left behind on a Recreation ride. Held monthly on a Sunday morning.
- Club rides:** Longer rides of approximately 50kms, at a higher average speed than the Recreation rides (~27kph). These rides are aimed at regular riders. Held fortnightly on a Sunday morning.
- Tours:** Tours for Members and their families, are held from time to time. Some Regional tours are also held pending availability and logistics.
- Community events:** WATCAC fields a team in most large community rides, including the CycloSportif series and the MSA Ride (amongst others), plus the occasional Ironman, triathlon and velodrome event.

Membership

WATCAC is run by a small core team of volunteers, with WATCAC funds drawn through annual membership fees and charitable donations.

A small annual membership fee helps maintain the WATCAC tandem fleet and cover administrative costs.

Membership Type	Criteria	Cost per annum
Senior	All recreational and competitive cyclists	\$40
Junior	Up to 17 years old	\$20
Family	One adult and one child > 17 years	\$45
Associate	Non-cyclists, volunteers and supporters	\$20

Membership provides limited 'Third Party' insurance cover for members, whilst participating in WATCAC activities. However, Personal Accident/Injury cover is not included and therefore it is recommended that this type of insurance be arranged personally.

Donations over \$2 are tax deductible.

Our Fleet

WATCAC owns around 20 tandems (subject to change) which may be available for short or long-term rental to our members.

Members taking a long-term rental bike are asked to regularly maintain the tandem and undertake minor maintenance (lube chain); repairs and replacement of Tyres & Tubes, if required. WATCAC applies a small annual loan fee to cover major maintenance and service requirements. Equipment is loaned in accordance with the Policy for Loan of Equipment (Jan 2018) which can be provided, upon request.

Tandem rental	Description	Approx. Number	Annual Loan fee
Recreational tandems	Red recreational bike fleet	12	100.00
Road tandems	Road bike (retail value > \$5000)	8	To be negotiated with Committee
Mountain tandems	Mountain bike (retail value > \$5000)	2	To be negotiated with Committee
Track tandems	Track tandems for use at velodrome	3	To be negotiated with Committee
Stationary rollers	Stationery bike trainers for indoor use	2	To be negotiated with Committee
